Business Relations Manager

Green innovation meets performance

Our Project

Formula Electric Belgium is a student-based race team that pushes green innovation to performance. We design and build our own electric race car each year to participate in international Formula Student competitions. We are looking for pioneers to challenge the status quo and bring our top-notch electric race car to the next level. As a postgraduate student, you will research, design, and test your systems together with a group of highly motivated students. You will innovate together with your team members and numerous companies to develop our next generation formula student race car.

Function

As the **Business Relations Manager**, you will play a crucial role in shaping the team's external perception.

You will enhance visibility and financial support by **securing key partnerships**. You will build lasting relationships with sponsors, partners, and stakeholders, fostering **mutual growth**.

You will craft compelling sponsorship proposals highlighting unique opportunities in electric vehicles and motorsport. Finally, you will work closely on budget creation ensuring maximum revenue from sponsorship agreements.

Profile

- Strategic Thinker
- Effective Communicator
- Good time management
- Initiative and Drive

Returns

- A unique engineering experience
- Developing your hard- and soft-skills in a company-like environment
- Work with the newest technologies and innovative companies
- Work in a team with a network of well over 120 partners
- A summer season packed with competitions all over Europe
- An experience of a life-time!
